# Queensland Secondary Principals Association Professional Learning Community

2018-2022

**Project:** Support the design and delivery of the QSPA annual conference and foster an online professional learning community throughout the year.

## Completed Scope:

- Design of the learning program for the annual event, and training of speakers to align to the core messages.
- Creation of an online digital learning platform for 500+ members with 2000+ content blocks to support ongoing professional learning.
- Training of education sponsors to improve their event satisfaction.
- MCing of the annual event.
- Capturing of learning objects from the association to share on the digital platform.
