

Dashboard Design

The dashboard is the homepage for your learning hub and helps your learners get around more easily.

Your Education Success Manager is here to write you some awesome dashboard code to make it work for your school or org in 4 easy steps!

Step 1: Pick a tile aesthetic

Gain new knowledge and inspiration. Whether it's classroom activity ideas, subject-specific pedagogies or educational psychology, we have you covered!

Great content from top providers that has proven to be very popular with leaders.

Here you'll find learning to support us in fostering a team-based culture. Learn about psychological safety, teamwork, collective leader efficacy and more!

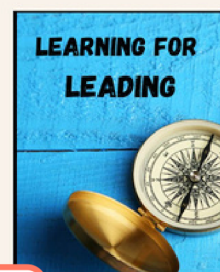

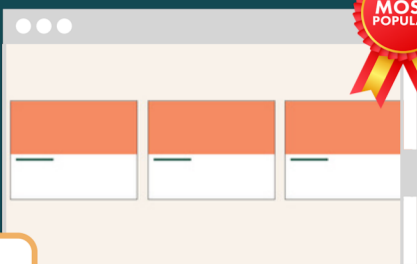

Image + Description

Image, Title Overlay + Description

Image, Title Under + Description

Image Only

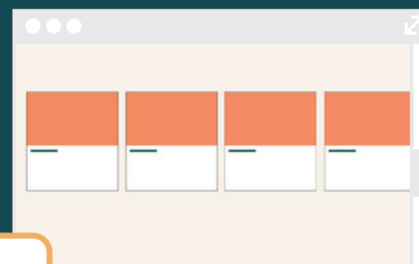

Step 2: How many tiles?

3

6

4

Step 3: Who's making the tile images?

My school/org or

by go1

Step 4: Pick your tile content!

Note: we can tweak these names or do something entirely different if you like!

- Teaching and Learning
- Just Landed
- Skills for Everyone
- Leadership
- Podcasts
- School/Org Learning Links
- Wellbeing (students)
- Wellbeing (staff)

Have some other ideas?

Great! Speak to your ESM about what else is possible.

We are here to help you!
